Stakeholder Gold Corp. Announces John Nebocat, P.Eng as VP Exploration

TORONTO, ONTARIO – (March 30th, 2016) –

Stakeholder Gold Corp. (“Stakeholder” or the “Company”) (TSX-V: SRC) is pleased to announce the appointment of John Nebocat, P.Eng as Vice President of Exploration.

“John brings almost 40 years of exploration experience to the Company, much of which was earned in the Yukon Territory (with Newmont Exploration). Yukon is Stakeholder’s exploration focus area and we are pleased to be able to have John overseeing the Company’s exploration programs. I expect John’s involvement to improve our chances of meaningful and cost effective mineral discovery,” said Chris Berlet, President & CEO of Stakeholder Gold Corp.

In 2016, Stakeholder will be exploring the Ballarat gold project located in the White Gold District of the Yukon Territory. GroundTruth Exploration Inc. will conduct a GT Probe soil exploration program on the Ballarat property’s Northwestern, as well as its Eastern, gold-in-soils anomalies. The Eastern gold-in-soils anomaly is located approximately 500 m from the route proposed for the Kaminak northern route road, where it is expected to cross the eastern section of the Ballarat property.

The work program will begin at the earliest possible time in the 2016 Yukon summer exploration season.

About Stakeholder Gold Corporation Stakeholder Gold Corp. is a Canadian mineral exploration company headquartered in Toronto, Canada. The primary focus of Stakeholder is to explore and develop the Ballarat Gold Property in the White Gold District of the Yukon Territory.
