SRC Announces Board Appointment and 2019 Focus

Toronto, Canada, January 9th, 2019 – Stakeholder Gold Corp. (“Stakeholder Gold” or the “Company”) (TSX-V: SRC) is pleased to announce the appointment of Mr. Sean Samson to the Board of Directors.

Mr. Samson is a mining executive with more than 20 years of management and financial experience. Since 2016 he has been President and CEO of Rogue Resources Inc. Prior to this he served as Vice President and Head of Corporate Development at First Nickel Inc. (“FNI”) for four years, including a period of six months as interim COO, responsible for safety, mine development and operations at the (250 person) Lockerby underground mine in Sudbury, Ontario. Prior to FNI, Sean served as Vice President of Commercial Development at Kinross Gold Corporation for five years where he had diverse, multi-functional responsibilities including: supply chain, energy, merger integration, enterprise risk and capital approvals, leading a team of more than 300 people across eight countries. Before joining Kinross, Sean gained several years of international experience as a management consultant at Bain & Company, and traded securities for investment banks in New York and Europe.

Mr. Samson received his AB from Harvard University (USA) and an MBA from the University of Cambridge (UK). He has been an elected PDAC board member and was a Cleantech advisor at MaRS, a Toronto based Innovation Centre. In 2012, Sean won the Canadian Young Mining Leader award from the Canadian Institute of Mining, Metallurgy and Petroleum (CIM).

“Sean will be an asset for Stakeholder as we focus on the Ballarat Gold Project in the White Gold District of Yukon Territory, and set a new agenda for 2019,” stated Chris Berlet, President and CEO.

The Company would also like to announce that it has terminated the contract with Mountain View Group and discontinued exploration in Nevada.

Forward Looking Information

This news release contains forward-looking information. All information, other than information of historical fact, constitute “forward-looking statements” and includes any information that addresses activities, events or developments that the Corporation believes, expects or anticipates will or may occur in the future including the Corporation’s strategy, plans or future financial or operating performance.

When used in this news release, the words “estimate”, “project”, “anticipate”, “expect”, “intend”, “believe”, “hope”, “may”

and similar expressions, as well as “will”, “shall” and other indications of future tense, are intended to identify forward-looking information. The forward-looking information is based on current expectations and applies only as of the date on which they were made. The factors that could cause actual results to differ materially from those indicated in such forward-looking information include, but are not limited to, the ability of the Corporation to fund the exploration expenditures required under the Agreement. Other factors such as uncertainties regarding government regulations could also affect the results. Other risks may be set out in the Corporation’s annual financial statements, MD&A and other publicly filed documents.

The Corporation cautions that there can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, investors should not place undue reliance on forward-looking information. Except as required by law, the Corporation does not assume any obligation to release publicly any revisions to forward-looking information contained in this press release to reflect events or circumstances after the date hereof.

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
